Featuring a special guest

**Alex Schadenberg**

Alex has been the Executive Director of the Euthanasia Prevention Coalition since July 1999. He's been working hard to build a well-informed, broadly based membership of groups and individuals in order to establish an effective social barrier to euthanasia and assisted suicide. He was named the chairperson for the Euthanasia Prevention Coalition - International in November 2007.

Alex published the book: *Toward A Culture of Life - An explanation of the Catholic Church's teaching on Respect for Human Life* in 1996. 5000 copies of the book were sold in less than 3 years. In September of 2006 he published the Full Report of the "World Federation of Right to Die Society" Conference that was held in Toronto - September 2006, that exposed the truth related to the "Right to Die" agenda.

Alex is married to Susan since 1990 and they have 6 children, Viviana, Joseph, Peter, James, Genevieve & Thomas. They live in Glencoe Ontario.
